DRITM
Innovative Air Solutions

DESIGNER AIR™ with the FLEXAIR™

FlexAir Treated Fresh Air Units provide a complete solution for IAQ and Energy Saving in a single unit. Modular with option to add modules for cooling, heating, humidification, high efficiency filtration, mixing, sound attenuation, etc.

UNIT ASSEMBLY

• Highest European Standard for Casing Air

Leakage : The casing air leakage is of prime importance in two tier systems i.e. systems with two streams with high latent difference between both. FlexAir is designed in accordance with highest European Standard for leakage - Class B.

- Maintenance-free Reliable Operation
- Very Low Pressure Drops
- Easy to Maintain Fan Assembly
- High Quality Standardised Filters
- Uniquely Designed Connection System
- Best Technology in Casing Manufacturing
- Widest Range
- Selection Software

The Selection Software is one of the most user friendly programme. Selection becomes easy, quick, accurate and generates GA diagrams and all technical data at click of a finger.

New Modular Design . . . More Model Options :

The new design allows for several functions to be placed in the same casing. The FlexAir series has a wider range to cover the flow range better making it possible for you to easily select the right unit with the lowest LCC.

Advantage with

- AHRI Certified (270mm deep-MS Series).
- Molecular sieve coated.
- Almost no cross contamination.
- Over 80% energy recovery both latent and sensible. Ideal for tropical climates where latent loads are 2-3 times the sensible load.
- Total energy recovery, recovers both latent and sensible energy.
- Specially, adjustable purge section rules out cross contamination of air stream (less than 0.04%).
- Most advanced technology.
- Special sealing arrangement ensures no cross leakage of air stream between the supply and exhaust section.
- Certified / Tested in international labs.
- Wheels' edges hardened to suit marine / coastal application needs.
- Best LCC (Life Cycle Cost).

DRI is a participating Company in the AHRI 1060 certification programme
